Quick Reference Guide

LTL FREIGHT SHIPPING TIPS, HINTS, AND DEFINITIONS

- **Less-Than-Truckload (LTL)** means the shipment does not completely fill a truck and weighs more than 150 lbs.
- A **bill of lading (BOL)** is required for each shipment, and acts as a receipt and a contract.
- A **PRO or Tracking Number** is a number assigned by the carrier to reference/track your shipment.
- Use **PartnerShip.com** to rate shop, print BOLs, pay invoices, create shipments, and much more.
- **Accessorials charges** are services outside of the standard shipping procedure. Accessorials include: Lift gate service, inside pickup, and fuel surcharge.
- **Consolidate** multiple shipments that are going to the same location to save money on shipping.
- Verify piece count on incoming LTL freight and note **shortage** or **damage** on delivery receipt.

TRADESHOW SHIPPING TIPS, HINTS, AND DEFINITIONS

- A **decorator** is the company in charge of tradeshow setup, tear down, and material handling.
- **Drayage** is what decorators charge for moving exhibitor materials.
- Before the show, review your show's **exhibitor manual** for important information, including move-in and move-out times.
- Bring copies of your **shipment information**, including the carrier/pro number, to the show.
- How to fill out the decorator's **Material Handling Form** when shipping outbound from a tradeshow:
 - Check "**other common carrier**" under method of shipment.
 - Indicate the carrier determined by your Account Rep in the "**Carrier**" section.
 - Bill freight charges to: **PartnerShip**, 500 East Lorain Street, Oberlin, OH 44074.
 - Return to the **General Service Contractor** or **decorator**.
