## **SECTION 1: General Conditions**

### **1. Geographical Limits**

To and from ports and or places within the forty-eight (48) contiguous United States and Canada. Also including domestic shipments to and from Alaska and Hawaii. All other shipments are excluded unless specifically endorsed hereon.

### **2. U.S. Economic and Trade Sanctions**

Whenever coverage provided by this Policy would be in violation of any U.S. economic or trade sanctions such as, but not limited to, those sanctions administered and enforced by the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC"), such coverage shall be null and void. Similarly, any coverage relating to or referred to in any certificates or other evidences of insurance or any claim that would be in violation of U.S. economic or trade sanctions as described above shall also be null and void.

### **3. Account**

For account of whom it may concern.

### **4. Payee**

Loss, if any, payable to the Assured or order.

### **5. Interest**

This insurance is to cover all shipments made by or to the Assured or by or to others for the Assured's account or control, or in which the Assured may have an interest, also to cover all shipments for the account of others on which the Assured may receive instructions to insure or deem themselves responsible to insure, prior to sailing of vessel and prior to any known or reported loss or accident. In all such cases, others covered under this Policy shall be subject to the same conditions, duties and obligations as is the Assured. This Policy does not and is not intended to provide any legal liability coverage, except as explicitly agreed, absent a specific endorsement herein to the contrary.

### **6. Accumulation**

Should there be an accumulation of interest beyond the limits expressed in this Policy by reason of any interruption of transit and/or occurrence beyond the control of the Assured, or by reason of any casualty and/or at a transshipping point, and/or on a connecting steamer or conveyances, Underwriters shall hold covered such excess interest and shall be liable for the full amount at risk, but in no event to exceed twice the applicable Policy limit, provided notice be given to Underwriters as soon as known to the Assured.

### **7. Valuation**

- A. *Commercial Goods and/or Merchandise (under invoice)*: Valued at amount of invoice, including all charges therein, plus any prepaid and/or advanced and/or guaranteed freight, if any, plus 10%; or at amounts declared and agreed by Underwriters prior to shipment.
- B. *Commercial Goods and/or Merchandise (not under invoice)*: Valued and insured for the fair market value at place of shipment or arrival, provided such declaration be made prior to shipment. It is further agreed that irrespective of the value insured, claims for repairs shall be payable for the fair market costs of such repairs but in no event for more than the insured value.
- C. *Personal (non-commercial) Household Goods and Personal Effects*: Valued at the amount of itemized inventory (showing value per item), such value representing the current Actual Cash Value (Replacement Cost less Depreciation) of the merchandise at destination, plus all costs of transportation to ultimate destination.
- D. *Personal (non-commercial) Automobiles and Motorcycles*: Valued and insured for the fair market value at place of shipment or arrival, provided such declaration be made prior to shipment. It is

further agreed that irrespective of the value insured, claims for repairs shall be payable for the fair market costs of such repairs but in no event for more than the insured value.

In no event shall claims exceed the value declared prior to shipment and declared for premium purposes. Foreign currency to be converted into U.S. dollars at rate of exchange current in New York on date of invoice.

**Coinurance:** Underwriters will not pay the full amount of any loss if the actual value of goods insured at the time of loss is greater than the reported value for those goods. Instead, underwriters will pay only the percentage of loss as the reported value bears to the actual value of goods insured according to the valuation clause, less any applicable deductible.

## **8. Full Value Reporting**

If the total value at risk exceeds the limit of liability provided by this insurance, the Assured shall nevertheless, as soon as known, report the full amount at risk to Underwriters and shall pay full premium thereon, in consideration of which the principle of co-insurance is waived by Underwriters.

Acceptance of such reports and premium shall not alter or increase the limit of liability of Underwriters but Underwriters shall be liable for the amount of covered loss up to but not exceeding the applicable limit of liability.

## **9. Cancellation**

This Policy shall be subject to 30 days Notice of Cancellation, by either party, giving the other party written notice to that effect, but such cancellation shall not affect any risk on which this insurance has attached prior to the effective date of such notice.

Notwithstanding the foregoing notice period, Underwriters may effect immediate cancellation by giving written notice thereof at any time when premiums have been due and unpaid for a period of thirty (30) days or more.

## **10. Conveyances, Craft and Lighter**

This insurance shall attach on shipments by iron and/or steel vessels (propelled solely by mechanical power), aircraft, metal barges, rail and/or truck, and in all cases, including connecting conveyances. This insurance shall further include transit by craft, raft or lighter to or from the vessel with each craft, raft or lighter to be deemed a separate insurance. The Assured are not to be prejudiced by any agreement exempting lightermen from liability.

## **11. Carrier**

This insurance shall not directly or indirectly benefit or insure any carrier or bailee.

## **12. Seaworthiness**

The seaworthiness of the vessel operating as a common carrier is hereby admitted as between the Assured and Underwriters and the wrongful act or misconduct of the shipowner or his employees causing a loss is not to defeat the recovery by an innocent Assured if the loss in the absence of such wrongful act or misconduct would have been a loss recoverable on this Policy.

With leave to sail with or without pilots, and to tow and assist vessels or craft in all situations, and to be towed. The Assured is not to be prejudiced by the presence of the negligence clause and/or latent defect clause in the Bill(s) of Lading and/or Charter Party.

## **13. Fraudulent Bills of Lading**

This insurance covers physical loss or damage to goods insured under this Policy occasioned through the acceptance by the Assured and/or their agents or shippers of fraudulent Bills of Lading and/or shipping receipts and/or messenger receipt.

Also to cover loss or damage caused by the utilization of legitimate bills of lading and/or other shipping documents without the authorization and/or consent of the Assured or their agents.

In no event, however, does this insurance cover loss or damage arising from the shipper's fraud or misstatement.

#### 14. Vessel Classification Clause

This insurance covers shipments as specified herein, shipped on:

This insurance covers general average and salvage charges, adjusted or determined according to the contract of carriage and/or the governing law and practice, incurred to avoid or in connection with the avoidance of loss from any cause. Such payments shall be payable in full, irrespective of insured or contributory values.

### **18. Landing, Warehousing and Forwarding Charges**

Notwithstanding any average warranty contained herein, if this policy in the absence of such warranty would be liable, Underwriters agree to pay for the following: landing, warehousing, forwarding and special charges; any partial loss arising from transshipment; the insured value of any package, piece, or unit totally lost in loading, transshipment or discharge; and for any loss or damage to the goods insured which may be reasonably attributed to discharge of cargo at port of distress.

In the event of any claim by carriers under the said Clause, the Assured agree to notify Underwriters, who shall have the right, at their own cost and expense, to defend the Assured against such claim.

### **20. Sue and Labor**

In the event of any imminent or actual loss or misfortune, it is the duty of the Assured and their employees and agents to take all reasonable measures to avert or minimize losses insured against by this Policy and to ensure that all rights against third parties are preserved and exercised. Underwriters will, in addition to any loss recoverable hereunder, reimburse the Assured for any charges properly and reasonably incurred in pursuance of these duties.

### **21. Brands and Trademarks**

In case of damage to goods bearing a brand or trademark, the sale of which in any way carries or implies a guarantee of the supplier or Assured, the salvage value of such damaged goods shall be determined after removal of all brands and trademarks. On containers from which the brand or trademark cannot be removed, contents shall be transferred to plain bulk containers. With respect to any merchandise, and/or containers from which it is impracticable to destroy all evidence of the Assured's connection therewith, Underwriters agree to consult with the Assured with respect to the disposition of said merchandise and/or containers.

This insurance covers, but only while the goods insured are on board a waterborne conveyance, loss of or damage to goods directly caused by governmental authorities acting for the public welfare to prevent or mitigate a pollution hazard or threat thereof, provided that the accident or occurrence creating the situation which required such governmental action would have resulted in a recoverable claim under the Policy (subject to all of its terms, conditions and warranties) if the goods insured would have sustained physical loss or damage as a direct result of such accident or occurrence. The coverage afforded hereunder shall not increase the Limits of Liability provided under this insurance.

**27. Deliberate Damage by Customs Service**

### **33. Deviation/Errors and Omissions**

This insurance shall not be vitiated by any unintentional error in description of vessel, voyage or interest, or by deviation, over carriage, change of voyage, transshipment or any other interruption in the ordinary course of transit from causes beyond the control of the Assured. Furthermore, this insurance shall not be prejudiced by any unintentional delay or inadvertent omission in reporting hereunder. It is agreed, however, that any such error, deviation or other occurrence mentioned above shall be reported to Underwriters as soon as known to the Assured and additional premium paid if required.

### **34. Consolidation/Deconsolidation**

### **36. Refused or Returned Shipments**

The Assured agrees to report all such shipments as soon as practicable after they have knowledge of them and to pay premium if required, at rates to be agreed.

### **37. Termination of Transit (Terrorism) (JC2009/056 DATED January 1, 2009)**

This clause shall be paramount and shall override anything contained in this insurance inconsistent therewith.

- A. Notwithstanding any provision to the contrary contained in this Policy or the Clauses referred to therein, it is agreed that in so far as this Policy covers loss of or damage to the goods insured caused by any act of terrorism being an act of any person acting on behalf of, or in connection with, any organization which carries out activities directed towards the overthrowing or influencing, by force or violence, of any government whether or not legally constituted or any person acting from a political, ideological or religious motive, such cover is conditional upon the goods insured being in the ordinary course of transit and, in any event, SHALL TERMINATE either:
- 1) As per the transit clauses contained within the Policy, *or*
  - 2) on completion of unloading from the carrying vehicle or other conveyance in or at the final warehouse or place of storage at the destination named in the contract of insurance,
  - 3) on completion of unloading from the carrying vehicle or other conveyance in or at any other warehouse or place of storage, whether prior to or at the destination named in the Policy, which the Assured or their employees elect to use either for storage other than in the ordinary course of transit or for allocation or distribution, *or*
  - 4) when the Assured or their employees elect to use any carrying vehicle or other conveyance or any container for storage other than in the ordinary course of transit, *or*
  - 5) in respect of marine transits, on the expiry of 60 days after completion of discharge overside of the goods insured from the oversea vessel at the final port of discharge,
  - 6) in respect of air transits, on the expiry of 30 days after unloading the goods insured from the aircraft at the final place of discharge,
- whichever shall first occur.
- B. If this Policy or the Clauses referred to therein specifically provide cover for inland or other further transits following on from storage, or termination as provided for above, cover will re-attach, and continues during the ordinary course of that transit terminating again in accordance with A above.

## **SECTION 4: Loss Adjustment Clauses**

### **38. Constructive Total Loss**

No claim for Constructive Total Loss shall be recoverable under this insurance unless the goods insured are reasonably abandoned either on account of its actual total loss appearing to be unavoidable or because the cost of recovering, reconditioning and forwarding the goods insured to the destination to which it is insured would exceed its value on arrival.

### **39. Partial Loss**

In case of partial loss or damage insured against by this Policy, a separation of sound and damaged goods insured shall be made and the amount of loss determined by:

- A. an agreed percentage of depreciation, in which event the Assured shall receive such percentage of the insured value of the damaged goods insured, or, if there is no agreement;
- B. sale of the damaged goods insured, in which event the Assured shall receive the difference between the insured value of the damaged goods insured sold and the proceeds of sale.

### **40. Machinery**

In the event of loss of or damage to any part(s) of an insured machine or other manufactured item consisting of more than one part caused by a peril covered by this insurance, the sum recoverable shall not exceed the cost of replacement or repair of such part(s) plus labor for (re)fitting and carriage costs. Duty incurred in the provision of replacement or repaired part(s) shall also be recoverable provided that the full duty payable on the insured machine or manufactured item is included in the amount insured. The total liability of Underwriters shall in no event exceed the amount insured of the machine or manufactured item. (Institute Replacement Clause CL372 December 1, 2008)

### **41. Labels**

In case of damage affecting labels, capsules or wrappers, Underwriters, if liable under the terms of this Policy, shall not be liable for more than an amount sufficient to pay the cost of new labels, capsules or wrappers and the cost of reconditioning the goods, but in no event shall Underwriters be liable for more than the insured value of the damaged merchandise.

### **42. Demurrage Charges**

Should Underwriters instruct the Assured to hold a container, and the Assured is assessed a late penalty and/or demurrage charge for holding the container past the return date, Underwriters will pay the late penalties and/or demurrage charges. The amount Underwriters will pay shall be the charges assessed from the time Underwriters direct the Assured to hold the container until the time Underwriters inform the Assured that the container can be released.

### **43. Notice of Loss**

In case of actual or expected loss of or damage to the goods insured, it shall be reported to the Underwriters or their claim representatives as soon as practicable upon knowledge by the Assured of the actual or expected loss.

### **44. Notice of Suit**

No suit, action or proceeding against Underwriters for recovery of any claim shall be sustainable unless commenced within one year from the date of the happening of the accident out of which the claim arises, provided that if such limitation is invalid by the laws of the state within which the Policy is issued then such suit, action or proceeding shall be barred unless commenced within the shortest limit of time permitted by the laws of such state.

### **45. Institute Service of Suit (USA) CL.355 November 1, 1992**

It is agreed that in the event of the failure of the Underwriters severally subscribing this insurance (the Underwriters) to pay any amount claimed to be due hereunder, the Underwriters, at the request of the

Assured, will submit to the jurisdiction of a court of competent jurisdiction within the United States of America.

Notwithstanding any provision elsewhere in this insurance relating to jurisdiction, it is agreed that the Underwriters have the right to commence an action in any court of competent jurisdiction in the United States of America, and nothing in this clause constitutes or should be understood to constitute a waiver of the Underwriters' rights to remove an action to a United States Federal District Court or to seek remand therefrom or to seek a transfer of any suit to any other court of competent jurisdiction as permitted by the laws of the United States of America or any state therein.

Subject to the Underwriters' rights set forth above:

- A. It is further agreed that the Assured may serve process upon any senior partner in the firm of: Mendes & Mount (Attorneys), 750 Seventh Avenue, New York, 10019-6829 (California Assureds shall serve process upon Foley & Lardner, LLP, 555 California Street, Suite 1700, San Francisco, CA 94104-1520; Kentucky Assureds shall serve process upon Lloyds Kentucky, Inc. 200 West Main Street, Frankfort, KY 40601), and that in any suit instituted against any one contract the Underwriters will abide by the final decision of the Court or of any Appellate Court in the event of an appeal.
- B. The above-named are authorized and directed to accept service of process on behalf of Underwriters in any such suit and/or upon the request of the Assured to give a written undertaking to the Assured that they will enter a general appearance upon the Underwriters' behalf in the event such a suit shall be instituted.
- C. The right of the Assured to bring suit as provided herein shall be limited to a suit brought in its own name and for its own account. For the purpose of suit as herein provided the word Assured includes any mortgagee under a ship mortgage which is specifically named as a loss payee in this insurance and any person succeeding to the rights of any such mortgagee.
- D. Further, pursuant to any statute of any state, territory or district of the United States of America which makes provision therefore, Underwriters hereby designate the Superintendent, Commissioner or Director of Insurance or other officer specified for that purpose in the statute, or his successor or successors in office (the Officer), as their true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the Assured or any beneficiary hereunder arising out of this contract of insurance, and hereby designate the above-named as the person to whom the Officer is authorized to mail such process or a true copy thereof.

#### **46. Institute Marine Policy General Provisions revised CL.269 October 1, 1982 (Amended)**

The following general provisions are incorporated in this contract:

##### **A. *Insurable Interest***

- 1) In order to recover under this insurance, the Assured must have an insurable interest in the goods insured at the time of the loss.
- 2) Subject to (1) above, the Assured shall be entitled to recover for insured loss occurring during the period covered by this insurance, notwithstanding that the loss occurred before the contract of insurance was concluded, unless the Assured were aware of the loss and the Underwriters were not.

##### **B. *Duty of Assured***

It is the duty of the Assured and their employees and agents in respect of loss recoverable hereunder

- 1) to take such measures as may be reasonable for the purpose of averting or minimizing such loss, and
- 2) To ensure that all rights against carriers, bailees or other third parties are properly preserved and exercised and the Underwriters will, in addition to any loss recoverable hereunder, reimburse the Assured for any charges properly and reasonably incurred in pursuance of these duties.

##### **C. *Waiver***

Measures taken by the Assured or the Underwriters with the object of saving, protecting or recovering the goods insured shall not be considered as a waiver or acceptance of abandonment or otherwise prejudice the rights of either party.

#### **47. Payment on Account**

Underwriters agree that where claim papers submitted demonstrate that only the quantum of the claim is in question, they will make a "payment on account" equal to 75% of the lower of the amounts claimed and agreed by Underwriters.

#### **48. Subrogation**

It is a condition of this insurance that upon payment of any loss, Underwriters shall be subrogated to all rights of the Assured against third parties with respect to such loss. It is a further condition of this insurance that if the Assured or any Claimant impairs or diminishes the rights to which Underwriters would be subrogated upon payment, Underwriters may deduct from such payment a sum equal to the estimated recovery lost by reason of the Assured's or Claimant's action or inaction.

#### **49. Other Insurance**

If at the time of loss or damage there is available to the Assured or any other interested party, any other insurance which would apply in the absence of this Policy, the insurance provided for hereunder shall apply only as excess insurance over such other insurance.

## **SECTION 5: Certificates and Reporting**

### **50. Certificates of Insurance**

Underwriters agree to issue "Claims Payable Abroad" and "Claims Payable London" certificates as required subject to the inclusion of the following clause:

"The Clauses referred to herein are those current at the inception of this open cover but should such clauses be revised during the period of this open cover and provided that Underwriters shall have given at least 30 days notice thereof, then the revised Clauses shall apply to risks attaching subsequent to the date of expiry of said notice."

### **51. Authority to Issue Certificates**

Authority is hereby granted the Assured to issue Underwriters' certificates hereunder, provided such certificates shall conform to the terms and conditions of this Policy and/or any written instructions that are or may be given by Underwriters and/or Roanoke Insurance Group Inc. from time to time. All such certificates issued shall be countersigned by a duly authorized representative of the Assured.

### **52. Letters of Credit**

It is agreed that Certificates and/or Policies may be issued hereunder to the Assured to comply with the insurance requirements of any letter of credit and/or sales contract concerned, provided the cover required is not wider than that provided by the current Policy Wording. In the event that wider coverage is required, prior agreement of Underwriters is to be obtained at an additional premium to be agreed.

### **53. Reports of Shipments**

Unless otherwise agreed, it is a condition of this insurance that the Assured is to report to Roanoke Insurance Group Inc. for transmission to Underwriters, as soon as practicable after becoming known to the Assured each and every shipment and/or interest coming within the terms hereof. Premium shall be paid by the Assured at rates as agreed. Willful failure to make such reports shall render this Policy voidable at Underwriter's option.

### **54. Inspection of Records**

Underwriters or their duly appointed representative shall be permitted at any time during business hours during the time this Policy is in force, or within a year after its termination, to inspect the records of the Assured as respects goods insured within the terms of this Policy.

## **SECTION 6: Other Coverages**

### **55. Import Duty and Freight Payable on Delivery**

This insurance also covers, subject to Policy terms of average, the risk of partial loss by reason of perils insured against on freight payable on delivery (unless guaranteed or payable "vessel lost or not lost") and/or on duties imposed on goods imported into the United States or Canada and insured hereunder, it being understood and agreed, however, that when the risk upon the goods continues beyond the time of landing from the overseas vessel, the increased value, consequent upon the payment of such freight and/or duties, shall attach as an additional insurance upon the goods from the time such freight and/or duty is paid or becomes due to the extent of the amounts thereof actually paid or payable.

Any limit of liability expressed in this Policy shall be applied separately to such increased value.

The Assured will, in all cases, use reasonable efforts to obtain abatement or refund of duties paid or claimed in respect of goods lost, damaged or destroyed. It is further agreed that the Assured shall, when Underwriters so elect, surrender the merchandise to the Customs authorities and recover duties thereon as provided by law, in which event the claim under this Policy shall be only for a total loss of the merchandise so surrendered and expenses.

This insurance on freight payable on delivery and/or duty shall terminate at the end of the import movement covered under this Policy, but nothing contained in this clause shall alter or affect any coverage granted elsewhere in the Policy during the storage or transit subsequent thereto.

The Assured agrees that on each shipment insured under this clause, a separate amount shall be reported sufficient to cover said freight and/or duty, upon which premium shall be payable at an agreed percentage of the merchandise premium.

### **56. F.O.B./F.A.S. Sales**

This insurance is extended to cover shipments originating in the Continental United States and sold by the Assured on F.O.B., F.A.S. or similar terms. This insurance shall cover such F.O.B./F.A.S. or similar shipments from the time of leaving store, warehouse or factory at interior point of shipment and continue while in due course of transit to the port of export and while there, until loaded on board overseas vessel or until Assured's interest and responsibility cease in accordance with the terms of sale, whichever shall first occur. The Assured agrees to report the total value of all such shipments and premiums to be paid at rates as agreed.

### **57. Combined F.O.B./F.A.S. Sales and Contingency Insurance for Unpaid Vendor**

This insurance is extended to cover the Assured's primary interest in shipments originating in the Continental United States and sold by the Assured on F.O.B., F.A.S. or similar terms. This insurance shall cover such F.O.B./F.A.S. or similar shipments on a primary basis from the time of leaving store, warehouse or factory at interior point of shipment and continue while in due course of transit to the port of export and while there, until loaded on board overseas vessel or until Assured's interest and responsibility cease in accordance with the terms of sale, whichever shall first occur.

Henceforth, this insurance shall cover on a contingent basis goods sold by the Assured on terms which do not obligate them to provide insurance. If there is loss or damage from a peril insured herein, and

- A. the Assured cannot collect from the consignee or other party because of a refusal or inability to pay;  
or
- B. the Assured has been paid but remains contractually obligated to replace the loss or damaged goods,

Underwriters shall advance to the Assured the amount of loss as provided herein. The Assured shall repay such amount upon remittance of the purchase price by the buyer or otherwise. Goods insured under this coverage shall be valued at the amount of the Assured's invoice, plus freight and other charges (if not included in the invoice).

This insurance is for the sole account of the Assured and in no event is it to insure or benefit buyers, consignees or any other party. **Furthermore, it is a condition precedent to this coverage that the Assured shall not divulge the existence of this coverage to any party. Such disclosure shall void coverage provided by this clause.**

The Assured shall preserve their rights against the buyer or other parties and, upon receipt of payment from Underwriters, shall subrogate to Underwriters all rights and shall give all assistance, other than pecuniary, in enforcing them. The Assured agrees to report the total value of all such shipments and premiums to be paid at rates as agreed.

#### **58. Contingency Insurance for Assured as Consignee**

This insurance is extended to cover shipments made by the Assured on terms under which the Assured is not obliged to furnish cargo insurance.

If goods are covered by other insurance, this insurance shall cover the difference in conditions (any perils not covered by other insurance but which are covered under the terms of this Policy) and any difference between the value insured by other insurance and the value in accordance with the applicable valuation clause of this Policy.

Underwriters will guarantee to the Assured the prompt collection of losses, damages and expenses otherwise coming within the terms and conditions of this insurance in connection with shipments for which the Assured has not been paid. Underwriters will advance to the Assured the amount of the loss, damage or expense, as a loan without interest. The Assured is to repay such amount upon remittance of the sum due the Assured by the seller, the insurance provided by the seller or otherwise.

This insurance is for the sole account of the Assured and in no event is it to insure or benefit sellers, shippers or any other party. **Furthermore, it is a condition precedent to this coverage that the Assured shall not divulge the existence of this coverage to any party. Such disclosure shall void coverage provided by this clause.**

The Assured shall preserve their rights against the seller or other parties and, upon receipt of payment from Underwriters, shall subrogate to Underwriters all rights and shall give all assistance, other than pecuniary, in enforcing them. The Assured agrees to report the total value of all such shipments and to pay premiums at rates as agreed.

3. physical loss of or damage to the goods insured directly caused by the act or acts of one or more persons, whether or not agents of a sovereign power, carried out for political, terroristic or ideological purposes and whether any loss, damage or expense resulting therefrom is accidental or intentional; PROVIDED that any claim to be recoverable under this subsection C be not excluded by the War Exclusion, Atomic and Nuclear Exclusion, Extended Radioactive Contamination Exclusion Clause (Extended RACE Clause) or Chemical, Biological, Bio-Chemical and Electromagnetic Exclusion Clause (CBE Clause) in the Policy to which this endorsement is attached. Notwithstanding the foregoing, coverage under this subsection C is conditional upon the goods insured being in the ordinary course of transit and, in any event, shall terminate:
  - A. as per the Transit Clause and any other clauses relating to duration of transit contained in or endorsed onto the Policy; or,
  - B. on delivery to the consignee's or other final warehouse or place of storage at the destination named herein; or
  - C. on delivery to any warehouse or place of storage whether prior to or at the destination named herein, which the Assured elects to use either for storage other than in the ordinary course of transit or for allocation or distribution; or,
  - D. in respect of marine transits, on the expiry of 60 days after completion of discharge overside of the goods insured from the vessel at the port of discharge; or
  - E. in respect of air transits, on the expiry of 30 days after unloading the goods insured from the aircraft at the place of discharge;

**whichever shall first occur.**

Notwithstanding the foregoing, nothing in this clause excludes coverage for insured losses, which are otherwise covered by this insurance, caused by certified acts of terrorism, as defined in the Terrorism Risk Insurance Act (P.L. #107-297), or any subsequent amendments or endorsements to the Act.

While the goods insured is at risk under the terms and conditions of this insurance within the United States of America, the Commonwealth of Puerto Rico, the U.S. Virgin Islands and Canada, this insurance is extended to cover physical loss of or damage to the goods insured directly caused by acts committed by an agent of any government, party or faction engaged in war, hostilities or other warlike operations, provided such agent is acting secretly and not in connection with any operation of military or naval armed forces in the country where the described goods are situated.

Nothing in this endorsement shall be construed to cover any loss, damage, or expense directly or indirectly arising from, contributed to or caused by any of the following, whether due to a peril insured against or otherwise:

1. change in temperature or humidity;
2. the absence, shortage, or withholding of power, fuel, or labor of any description whatsoever during any strike, lockout, labor disturbance, riot or civil commotion;
3. loss of market or loss, damage, or deterioration arising from delay;
4. hostilities, warlike operation, civil war, revolution, rebellion or insurrection, or civil strife arising therefrom, except to the limited extent that the acts of certain agents acting secretly have been expressly covered above; or
5. nuclear reaction, radiation, or radioactive contamination, as per Extended RACE Clause.
6. Chemical, biological, bio-chemical or electromagnetic weapon, device, agent or material, as per CBE Clause.

The Assured agrees to report all shipments attaching under this cover and to pay premiums therefore at the rates established by Underwriters from time to time.

This endorsement may be cancelled by either party upon forty-eight hours written notice to the other party, but such cancellation shall not affect any risks which have already attached hereunder

TO THE EXTENT A PROVISION OF THE POLICY OR A PREVIOUS ENDORSEMENT IS INCONSISTENT WITH AN EXPRESS PROVISION OF THIS ENDORSEMENT, THIS ENDORSEMENT CONTROLS, OTHERWISE, THIS ENDORSEMENT IS SUBJECT TO ALL OF THE TERMS AND PROVISIONS OF THE POLICY AND OF ANY PRIOR ENDORSEMENTS TO THE FULLEST EXTENT APPLICABLE.

**ENDORSEMENT NO.** Two  
**POLICY NO.:** 16RTS9203  
**ASSURED:** PartnerShip, LLC  
**EFFECTIVE DATE:** 11/1/2016

**American Institute (AIMU) Amended War Risk Only (Cargo) Clauses**

**(December 2, 1993)**

In cases where the total value(s) at risk on any one vessel exceed(s) the limit of liability as set forth in the Policy to which this endorsement is attached, the Assured agrees, nevertheless, to report to Underwriters full value(s) at risk and to pay premium thereon at the agreed rates. The Assured further agrees that acceptance of such reports and premium by Underwriters shall not serve to revoke or to overrule the limit of liability set forth in this Policy; however, subject to the limit of liability, Underwriters in accepting these reports do agree to pay partial losses covered by this Policy without reduction by reason of any coinsurance which otherwise may have existed in the absence of this special agreement.

Subject to the provisions of Clause 4 of this endorsement, should there be an accumulation of interests exceeding the limits of liability set forth in this Policy by reason of any interruption of transit beyond the control of the Assured or by reason of any casualty, and/or after the interests have been discharged from the incoming overseas Vessel at an intermediate port or place for on-carriage from that or any other port or place by another overseas Vessel, and/or on the on-carrying overseas Vessel, this Policy shall attach for the full amount of risk (but in no event for more than twice the Policy limit which would be applicable to any one Vessel) provided written notice be given to Underwriters as soon as known to the Assured.

Underwriters shall cover only those shipments which are insured against marine risks under this Policy, it being agreed that the description of such shipments, the valuations thereof, the voyage, the designation of the overseas Vessel (which shall be construed to include aircraft if included under the marine Policy) on which the goods are to be carried and the ports and/or places of loading and discharge, as reported under the said Policy against marine risks, shall be deemed incorporated herein. Notwithstanding the foregoing, this Policy shall not cover purely domestic shipments by air between points in the United States of America (excluding Alaska and Hawaii).

Any loss payable hereunder shall be payable in funds current in the United States, to the order of Assured thirty days after full proofs of loss and proofs of interest have been filed with Underwriters.

1. This insurance is only against the risks of capture, seizure, destruction or damage by men-of-war, piracy, takings at sea, arrests, restraints, detainments and other warlike operations and acts of kings, princes and peoples in prosecution of hostilities or in the application of sanctions under international agreements, whether before or after declaration of war and whether by a belligerent or otherwise, including factions engaged in civil war, revolution, rebellion or insurrection, or civil strife arising therefrom; the imposition of martial law, military or usurped power, and including the risks of aerial bombardment, floating or stationary mines and stray or derelict torpedoes, and weapons of war employing atomic or nuclear fission and/or fusion or other like reaction or radioactive force or matter but excluding loss, damage or expense arising out of the hostile use of any such weapon; and warranted not to abandon (on any ground other than physical damage to ship or cargo) until after condemnation of the goods insured.
2. This insurance also covers, but only while the goods insured is on board a waterborne conveyance, loss of or damage to said goods directly caused by governmental authorities acting for the public welfare to prevent or mitigate a pollution hazard or threat thereof, provided that the accident or

occurrence creating the situation which required such governmental action would have resulted in a recoverable claim under this Policy (subject to all of its terms, conditions and warranties) if the goods insured would have sustained physical loss or damage as a direct result of such accident or occurrence.

Warranted free from any claim based upon loss of, or frustration of, the insured voyage or adventure caused by arrests, restraints or detentions.

3. This insurance does not cover any loss, damage or expense directly or indirectly arising from, contributed to, or caused by any of the following, whether due to a peril insured against or otherwise:
  - A. Commandeering, preemption, requisition or nationalization by the government (de facto or otherwise) of the country to or from which the goods are insured.
  - B. Seizure or destruction under quarantine, environmental or customs regulations.
  - C. Delay, deterioration and/or loss market.
  - D. Nuclear reaction, radiation or radioactive contamination, regardless of how it was caused.
4.
  - A. The insurance against the risks enumerated in Clause 1, except the risk of floating or stationary mines and stray or derelict torpedoes, floating or submerged referred to in the paragraph immediately following, shall not attach to the interest hereby insured or to any part thereof:
    - 1) prior to being on board an overseas Vessel (For the purpose of this Clause 4 an overseas Vessel shall be deemed to mean a Vessel carrying the interest from one port or place to another where such voyage involves a sea passage by the Vessel.)
    - 2) After being discharged overseas from an overseas Vessel at the intended port or place of discharge or after the expiry of 15 days from midnight of the day of arrival of the overseas Vessel at the intended port or place of discharge, whichever shall first occur.
    - 3) after expiry of 15 days from midnight of the day of arrival of the overseas Vessel at an intermediate port or place to discharge the interest for on-carriage from that or any other port or place by another overseas Vessel, but shall reattach as the interest is loaded on the on-carrying overseas vessel. During the said period of 15 days the insurance remains in force whether the interest is awaiting transit or in transit between the overseas Vessels.
    - 4) For the purpose of this Clause 4 arrival at the intended port or place of discharge shall be deemed to mean that time when the overseas Vessel first berths, anchors, moors or is secured in an area subject to regulation by the authorities of such port or place.
  - B. The insurance against the risks of floating or stationary mines and stray or derelict torpedoes, floating or submerged, attaches as the interest hereby insured is first loaded on a lighter, craft or vessel after leaving the warehouse at point of shipment in transit for the destination declared hereunder, and ceases to attach as the interest is finally landed from the vessel, craft or lighter prior to delivery to warehouse at such destination.
  - C. If the contract of affreightment is terminated at a port or place other than the destination named therein such port or place shall be deemed the intended port or place of discharge for the purpose of this Clause 4.
  - D. Shipments by mail, if covered by this Policy, are insured continuously from the time of leaving the sender's premises until delivered to the place of address.
  - E. Shipments by air (other than by air mail), if covered by this Policy are insured subject to the same terms and conditions as shipments by overseas Vessel.
  - F. It is a condition of this insurance that the Assured shall act with reasonable dispatch in all circumstances within their control.
  - G. If anything contained in this Policy shall be inconsistent with this Clause 4 it shall to the extent of such inconsistency be null and void.

5. This insurance shall not be vitiated by deviation, overcarriage, change of voyage, or by any error or unintentional omission in the description of interest, vessel or voyage, provided the same be communicated to Underwriters as soon as known to the Assured and an additional premium paid if required.
6. And in case of any loss or misfortune, it shall be lawful and necessary to and for the Assured, his or their factors, servants and assigns, to sue, labor and travel for, in and about the defense, safeguard and recovery of the said goods, and merchandises, or any part thereof, without prejudice to this insurance; nor shall the acts of the Assured or Underwriters, in recovering saving and preserving the goods insured, in case of disaster, be considered a waiver or an acceptance of an abandonment; and to the charges whereof, the said Underwriters will contribute according to the rate and quantity of the sum hereby insured.
7. General Average and Salvage Charges payable according to United States laws and usage and/or as per Foreign Statement and/or per York-Antwerp Rules (as prescribed in whole or in part) if in accordance with the Contract of Affreightment.
8. It is agreed that the reports of shipments made under the Policy against marine risks mentioned above shall be deemed to be reports under this Policy also, and the Assured agrees to pay premiums on all shipments insured under this Policy at the war risks rates of Underwriters as fixed from time to time.
9. No claim shall be payable hereunder which arises from collision, contact with any fixed or floating object (other than a mine or torpedo), stranding, heavy weather or fire unless caused directly (and independently of the nature of the voyage or service which the Vessel concerned or, in the case of a collision, any other Vessel involved therein, is performing) by a hostile act by or against a belligerent power; and for the purpose of this paragraph "power" includes any authority maintaining naval, military or air forces in association with a power.
10. No recovery for a Constructive Total Loss shall be had hereunder unless the goods insured is reasonably abandoned on account of its actual total loss appearing to be unavoidable, or because it cannot be preserved from actual total loss without an expenditure which would exceed its value if the expenditure had been incurred.
11. It is agreed that this Policy is a separate and wholly independent contract and is not subject to any terms or conditions of the Policy against marine risks above mentioned (whether physically attached thereto or not) except as such terms or conditions shall be expressly incorporated herein by reference.
12. This insurance may be cancelled by either party upon forty-eight hours written notice to the other party, but such cancellation shall not affect any shipment on which this insurance has attached under the terms of Clause 4 hereof prior to the effective date of such notice. Shipments on which this insurance has not so attached but for which, prior to the effective date such notice, bills of lading have been issued and (in the case of exports) Certificates or special policies have been issued and negotiated, shall be covered from the time of loading on the overseas Vessel, as provided in Clause 4, at the rates of Underwriters, provided that, prior to said effective date, such shipments were at the risk of the Assured and were covered under the said Policy against marine risks.

In the event of loss, which may give rise to a claim under this endorsement, prompt notice shall be given to Underwriters.

TO THE EXTENT A PROVISION OF THE POLICY OR A PREVIOUS ENDORSEMENT IS INCONSISTENT WITH AN EXPRESS PROVISION OF THIS ENDORSEMENT, THIS ENDORSEMENT CONTROLS, OTHERWISE, THIS ENDORSEMENT IS SUBJECT TO ALL OF THE TERMS AND PROVISIONS OF THE POLICY AND OF ANY PRIOR ENDORSEMENTS TO THE FULLEST EXTENT APPLICABLE.
